HAIL THIS★

We don't ordinarily recommend car services, but this one's a winner. When you call Kid Car NY, you'll get a car with a child-safety seat professionally installed, specifically for your child's age and weight, and a very helpful driver. A one-year membership is \$300 (currently \$150 as an introductory offer), then \$25 one-way anywhere in Manhattan, no tipping permitted.

Register online at KidCarNY.com.
